RESIDENT SCREENING POLICY FOR CONVENTIONAL PROPERTIES

Thank you for your interest in our property. Before you apply to rent an apartment home in our property, please take the time to review the screening requirements. All Financially Responsible Applicants and Non-Applicant Tenants 18 years of age or older, will be required to complete separate rental applications. The term "Financially Responsible Applicant (s)" under this policy means the person or persons that will be signing the Lease as "residents"; the term "Non-Applicant Tenant (s)" in this policy means the person or persons that are authorized occupants under the Lease.

Please also note that these are our current rental criteria; nothing contained in these requirements shall constitute a guarantee or representation by us that all residents and occupants currently residing in the property have met these requirements. There may be residents and occupants that have resided in the property prior to these requirements going into effect; additionally, our ability to verify whether these requirements have been met is limited to the information we receive from the various resident credit reporting services used.

Statement of Non-Discrimination and Fair Housing Policy

It is the policy of this property to comply with all applicable fair housing laws including those which prohibit discrimination against any person based on race, sex, religion, color, familial status, national origin, age, or disability. Housing shall be made available without regard to actual or perceived sexual orientation, gender identity, or marital status.

This property will make reasonable accommodation(s) to persons with disabilities if such accommodation(s) will afford a prospect and/or applicant equal opportunity to use and enjoy a dwelling. Any person can make a request for reasonable accommodation by phone or in writing to the property in which they wish to visit, apply and/or reside.

The applicant may include supplemental evidence for our consideration to mitigate potentially negative screening results.

Qualifying Rental Criteria

The property's general occupancy standard may vary to allow additional occupants based on factors including, without limitation, the size and configuration of the unit and of bedrooms as well as whether any occupants are infants.

2. **Age** – Financially responsible applicants must be 18 years of age or older unless deemed to be an adult under applicable law with respect to the execution of contracts.

3. **Credit** - A credit report will be completed on all financially responsible applicants to verify credit ratings. Income plus verified credit history will be entered into a credit scoring model to determine rental eligibility and security deposit levels. Unfavorable accounts which will negatively influence this score include, but are not limited to: collections, charge-off, repossession, and current recent delinquency. Open bankruptcies, or bankruptcies discharged and/or closed within the past 6 months, will result in an automatic denial of the application.

   Any falsification in Applicant's paperwork will result in the automatic denial of Application.

4. **Income** - Gross income for all financially responsible applicants in one apartment home will be combined to determine whether income eligibility requirements are met. All financially responsible applicants will be asked to produce consecutive and most recent pay stubs for the last 4 weeks from Application Date. If handwritten pay stubs are supplied, the documents must be validly notarized to be deemed sufficient. Applicants must have a minimum combined gross income of **2** times the monthly rent. Additional sources of verifiable income will be considered. These sources may include: child support, grants, pensions, GI benefits, disability, trust funds, social security, non-government rent assistance, monetary public benefits, and savings accounts. (The financially responsible applicant must supply six current consecutive months of bank statements if any of the additional sources of income listed above cannot be provided directly from the supplier). We may additionally consider verifiable friend or family assistance.

5. **Employment** - If employment is to begin work shortly, the applicant must provide a "letter of intent" to hire from the employer.

6. **Self-Employment, Retired or Unemployed** - Such applicants must provide the previous year's income tax return and the previous two month's bank statements, or twelve months of financial statements and must exhibit no negative references. Seasonal employment must be verified by providing the prior year's tax return.

7. **Criminal History** - A criminal background check will be conducted for each financially applicant and non-applicant tenants age 18 years or more. A landlord is not required to rent to any person whose tenancy would constitute a direct threat to the health, safety, or property of other individuals.

   Any conviction for manufacture or distribution of any federally controlled substance and applicants who are required to register as sex offenders for life will result in an automatic denial of tenancy.

   If you meet all criteria including criminal history, then your application will be accepted. If you meet all non-criminal screening criteria but have one or more relevant criminal convictions, we will review your criminal history to determine whether it demonstrates a threat to the health, safety, or property of others. We will consider any supplemental evidence you provide.

   Determinations as to criminal screening will be made on a case by case basis, and will be based on factors including, with limitation, 1) the facts of the crime you were convicted of; 2) the actual charge you were convicted of; 3) your age at the time of the conviction; 4) criminal convictions prior to the conviction; 5) criminal convictions and pending charges since the conviction; 6) how much time has passed since the conviction; and for drug possession charges 7) if you are in, or have completed recovery or treatment since the conviction. Please submit any supplemental evidence you believe may assist us in our individualized assessment of your criminal conviction(s).

   Please remember that this requirement does not constitute a guarantee or representation that residents or occupants currently residing in our property have not been convicted of or subject to deferred adjudication for
