OREGON HOUSING & COMMUNITY SERVICES
HOUSING STABILITY COUNCIL

The Housing Stability Council helps to lead OHCS to meet the housing and services needs of low- and moderate-income Oregonians. The Housing Stability Council works to establish and support OHCS' strategic direction, foster constructive partnerships across the state, set policy and issue funding decisions, and overall lend their unique expertise to the policy and program development of the agency.

The 2019-2023 Statewide Housing Plan outlines six policy priorities that focuses OHCS' investments to ensure all Oregonians have the opportunity to pursue prosperity and live from poverty.

Statewide Housing Plan Policy Priorities

- Equity & Racial Justice
- Homelessness
- Permanent Supportive Housing
- Affordable Rental Housing
- Homeownership
- Rural Communities

For more information about the Housing Stability Council or the Statewide Housing Plan, please visit Oregon Housing and Community Services online at https://www.oregon.gov/ohcs/OSHC/Pages/index.aspx

The Housing Stability Council will provide public hearing time in accordance with ORS 456.561. Council's review of loan, grant or other funding award proposals under this section shall be held at a public hearing of the council.
A public hearing is a formal proceeding held in order to receive testimony from all interested parties, including the general public, on a proposed issue or action. A public hearing is open to the public but is regarding a specific proposal/project.

Re: **Approval for Resolution #2025-1-10**

Motion: Approve the Resolution #2025-1-10 recommendations for the following project:

BOND RECOMMENDED MOTION: Move to approve Pass-Through Revenue Bond Financing in an amount up to and not to exceed $20,000,000 to M Carter Commons Limited Partnership for the construction of M Carter Commons, subject to the borrower meeting OHCS, Portland Housing Bureau, Key Bank, and NEF's underwriting, closing criteria, and documentation satisfactory to legal counsel and Treasurer approval for the bond sale.

At the upcoming Housing Stability Council meeting, we will be presenting one 4% LIHTC/Conduit Bond transaction for Council approval.

The project included in the Resolution following this memo were approved by the OHCS Finance Committee or are scheduled for an approval by the Finance Committee. In this memo we are providing you with a high-level summary of the recommended project. More detailed information regarding the project and the additional funding recommendation can be found in the individual project summaries.

All projects are subject to underwriting and programmatic requirements established under the Qualified Allocation Plan, General Policy and Guideline Manual (GPGM) and MWESB/SDVBE Compliance Manual are eligible to be considered for funding. All applications proposed a percentage target of MWESB contractors and subcontractors above the minimum standards set forth in the OHCS MWESB Compliance Policy, and all have an Affirmatively Furthering Fair Housing Marketing Plan including a Tenant Selection Plan that will market to those least likely

to apply. All projects sponsored have signed our Diversity, Equity, and Inclusion (DEI) Agreement and submit an Equity & Racial Justice (ERJ) project status report.

Funding Recommendation:
We are recommending funding reservation for one (1) project. These projects will create **62** units of new affordable housing.

Projects with Other OHCS Funding

Project Name	County	Total Units	Sponsor	Underwriting Stage

STATE OF OREGON
OREGON HOUSING AND COMMUNITY SERVICES
HOUSING STABILITY COUNCIL

RESOLUTION NO. 2025 – 1-10
ADOPTED: JANUARY 10TH, 2025

A RESOLUTION OF THE HOUSING STABILITY COUNCIL APPROVING PASS-THROUGH REVENUE BONDS AND HOUSING PROGRAM FUNDING TO FINANCE THE PROJECTS DESCRIBED HEREIN, SUBJECT TO THE BORROWERS AND PROJECTS MEETING CERTAIN PROGRAM REQUIREMENTS, CLOSING AND OTHER CONDITIONS AS DESCRIBED HEREIN; AND AUTHORIZING AND DETERMINING OTHER MATTERS WITH RESPECT THERETO.

WHEREAS, the State of Oregon (the "**State**"), acting by and through the State Treasurer (the "**Treasurer**") and the Oregon Housing and Community Service Department (the "**Department**" and collectively with the State and the Treasurer, the "**Issuer**"), is authorized, subject to Housing Stability Council (the "**Council**" or "**HSC**") review and approval, pursuant to Oregon Revised Statutes ("**ORS**") Chapter 286A and ORS Sections 456.515 to 456.725, inclusive, as amended (collectively, the "**Act**") and Oregon Administrative Rules ("**OAR**") Chapter 813, Division 35 pertaining to the Department's Pass-Through Revenue Bond Financing Program (the "**Conduit Bond Program**"), to issue revenue bonds, notes and other obligations (collectively, "**Bonds**") and to loan the proceeds thereof to borrowers ("**Borrowers**") in order to finance certain costs associated with the acquisition, rehabilitation, development, construction, improvement, furnishing and/or equipping of multifamily housing;

WHEREAS, through the federal 4% Low-Income Housing Tax Credit Program ("**LIHTC Program**"), the Department allocates tax credits (the "**Credits**") in accordance with the Act and OAR Chapter 813, Division 90 pertaining to the Department's LIHTC Program;

WHEREAS, through the Department's various financing programs as authorized by the Act and ORS Chapter 458 (collectively, "**Housing Programs**"), the Department, subject to the Council's review and approval, provides loans, grants and other financing pursuant to the Act, ORS Chapter 458, applicable OARs and in conformance with Department policies (the "**Housing Program Funding**"). The Conduit Bond Program, the LIHTC Program and the Housing Programs are collectively referred to herein as the "**Programs**"; and

WHEREAS, the Department's Finance Committee (the "**Committee**" or "**FC**") has (i) approved the allocation of Credits, (ii) recommended to the Council the issuance of Bonds, and (iii) approved or recommended providing the Housing Program Funding to finance each of the affordable multifamily rental projects as listed on **Exhibit A** attached hereto (each an "**FC-Approved Project**" and collectively, the "**FC-Approved Projects**"); and

WHEREAS, Council desires to accept the recommendations of the Committee by (i) approving the Bonds and directing the Department to request that the State Treasurer issue the Bonds and (ii) further ratifying and/or approving providing the Housing Program Funding to finance each of the FC-Approved Projects; and

WHEREAS, the further Council desires to (i) approve the Bonds and direct the Department to request that the Treasurer issue the Bonds and (ii) further ratify and/or approve providing the Housing Program Funding to finance each of the affordable multifamily rental projects as listed on **Exhibit B** attached hereto (each a "**Proposed Project**" and collectively, the "**Proposed Projects**"), in each case subject final approval of the Projects by the Committee, including the allocation of Credits by the Committee to each of the Projects; and

NOW, THEREFORE, be it resolved by the Council as follows:

SECTION 1. HSC APPROVAL. The Council hereby acknowledges that it has reviewed the information and materials included in **Exhibit A** and **Exhibit B** attached hereto describing the Bonds and the Housing Program Funding, each FC-Approved Project and each Proposed Project (each a "**Project**" and collectively, the "**Projects**") and the financing of each of the Projects, and hereby approves the issuance of the Bonds for the financing of each of the Projects, as described therein. Subject, in the case of each Project, to the Borrower's compliance with all legal and other requirements of the Act and the applicable Programs and confirmation by the Department, including final approval by the Committee in the case of each Proposed Project, that the conditions described in Section 2 below have been satisfied, the Council finds that no further meeting or action of the Council is needed for the Department to request and the Treasurer to proceed with the issuance of the Bonds and for the Department to proceed with the financing of the Project.

SECTION 2. CONDITIONS TO ISSUANCE, SALE AND DELIVERY OF BONDS. The Council hereby approves the issuance, sale and delivery of the Bonds for each of the Projects. For each Project, such approval is subject to any remaining final approval(s) that may be required by the Committee (including the allocation of Credits to and final approval of each Proposed Project by the Committee) and/or the Department's Executive Director (or her designee), and further subject to the Borrower meeting all requirements of the applicable Programs and satisfying all closing and funding conditions, including:

(A) completion by the Department of all necessary due diligence related to the Project and the financing, consistent with applicable Program requirements, Department policies and practices;

(B) the absence of any material change to the Project or the financing following the adoption of this Resolution;

(C) confirmation that all legal and other requirements of the Act and the Conduit Bond Program for the issuance, sale and delivery of the Bonds have been satisfied, as determined by the Department, the Oregon Department of Justice and Bond Counsel; and

(D) confirmation that all legal and other requirements of the Act and the Programs have been satisfied, as determined by the Department and the Oregon Department of Justice.

SECTION 3. COUNCIL REVIEW, APPROVAL AND PUBLIC MEETING. The Council hereby acknowledges that it has reviewed the information and materials included in **Exhibit A** and in **Exhibit B** attached hereto describing the Projects and the financing of each of the Projects, including the Bonds, and conducted such additional review and made such additional inquiry, if any, as it determined to be necessary or appropriate, in compliance with the Council's obligations

under ORS 456.561(3) and other relevant authority, to review, and to approve or disapprove the financing of the Projects. The Council hereby further acknowledges that the adoption of this Resolution and the HSC approval set forth herein has been made at a public meeting of the Council as required by ORS 456.561(4) and other relevant authority, and that such meeting has been conducted in accordance with applicable law, including any required advance public notice of such meeting. Further, the Council acknowledges that in connection with the adoption of this Resolution and the HSC approval set forth herein, opportunity has been provided to the public to testify or otherwise provide public comment on the Projects and any other matters directly related thereto.

SECTION 4. EFFECTIVENESS; CONFLICTING RESOLUTIONS. This Resolution shall be effective immediately upon its adoption. Any prior resolutions of or other previous actions by the Council and any parts thereof that are in conflict with the terms of this Resolution shall be, and they hereby are, rescinded, but only to the extent of such conflict.

[Signature follows next page]

CERTIFICATION OF RESOLUTION

The undersigned does hereby certify that I am the duly appointed, qualified and acting [Chair][Vice Chair][Executive Secretary] of the Oregon Housing and Community Services Oregon Housing Stability Council (the "**Council**"); that the foregoing is a true and complete copy of Resolution No. 2025-1-10 as adopted by the Council at a meeting duly called and held in accordance with law on January 10th, 2025; and that the following members of the Council voted in favor of said Resolution:

_____

		Development	$5,199,898
		Total:	$37,017,098

PROJECT DETAILS	
Project Description:	M Carter Commons is a new construction, affordable housing development located in Portland. The project is named after Margaret Lousie Carter, Oregon's first Black woman legislator. The project will consist of 63 units in a single low rise six -story residential building serving residents 55 years and older. There will be 62 affordable units, and 1 managers unit. Project amenities include an enclosed courtyard, bicycle parking, common area, community room, lobby, laundry room, two sets of stairwells, two elevators, heating and cooling system, onsite management and a resident service provider space. M Carter Commons and the 63 units are a stand-alone project and not subject to a master plan development. Closing is anticipated to be January 30, 2025.

Partnerships to Serve Communities of Color:	M Carter Commons project is co-developed and co-owned through a collaborative partnership between Urban League of Portland (UL) and Northwest Housing Alternatives (NHA). NHA will lead housing development and provide asset management throughout development and into operations. NHA through contract management as Managing General Partner of M Carter Commons LP and in collaboration as a resident service provider will contribute support in connecting with the network of over 100 providers that NHA's large Community Services department. Urban League will lead the provision of culturally responsive resident services. UL has deep roots in the North/Northeast Portland and extensive experience working with seniors. The UL adult and Senior Services program has been active for 50 years, serving over 6,000 seniors pre-pandemic, it is the longest standing program at UL and is critical to achieving the organizations mission of equity, equality and empowerment. Resident services at M Carter Commons will be tailored to the needs of the individuals and community at the property. A MOU is in place to staff one 0.5 FTE resident service coordinator who will hold regular office hours on site and focus on residents' wellbeing and encourage a sense of community within the property through events and resource connections.
Reaching Underserved Communities:	The target population for M Carter Commons is seniors 55 and older and will utilize the City of Portland Placement Preference which is also known as the N/NE Preference Policy list, which will prioritize housing those whose families have been displaced by urban renewal's legacy in North and Northeast Portland. Urban League (UL) is leading the community outreach and engagement during the design and will provide culturally specific and responsive resident services. UL has extensive knowledge and experience working with seniors with low incomes, few financial assets, and barriers to accessing needed services. UL will respond with case management, transportation, social engagement, utility cost assistance, income development, and access to medical services.
MWESB Target:	Urban League of Portland (UL), Northwest Housing Alternatives (NHA), and The O'Neil/Walsh Community builders (OWCB) are committed to meeting the metro region 1 goal of 30%
Alignment with Statewide Housing Plan:	• Equity and Racial Justice • Affordable Rental Housing

To: Housing Stability Council Members
Andrea Bell, Executive Director

From: Affordable Rental Housing Division

Re: 2025 ORCA Framework

Motion: Housing Stability Council adopts the following framework elements for the ORCA and Low-Income Housing Tax Credits as presented [or will note revisions].

Overview

In this memo, we provide Housing Stability Council (HSC) with the final framework elements to allow for updates in the 2025 Oregon Centralized Application (ORCA) and Low-Income Housing Tax Credits (LIHTC) for adoption. These components will be implemented through a finalized Qualified Allocation Plan as well as the updated ORCA.

The Affordable Rental Housing division has been working to make updates to the ORCA over the past several months. In October, we provided HSC with the draft framework related to incorporating the 9% and 4% LIHTC programs into the ORCA process. In November, we provided HSC with the draft 2025 ORCA framework. Now, we are seeking adoption of the final 2025 ORCA framework, which would become effective in February 2025.

At the January Housing Stability Council we will review key details of the framework alongside a summary of public feedback gained through public comment period which concluded on December 31st, 2024.

Summary of Final 2025 ORCA Framework

1. ORCA-LIHTC Integration

Previously, OHCS used Notices of Funding Availability to award LIHTC resources. For 2025, we are integrating both 9% and 4% LIHTC into the ORCA application process.

2. ORCA Set-aside updates

There are two set-aside updates that would apply to all ORCA projects (including LIHTC projects).

CSO & Rural set-asides ***updated from previous recommendation****

2024 ORCA	25% Culturally Specific Organization or Nonprofit organizations building in rural communities.
2025 ORCA	Retain 2024 set-aside parameters through June 2025. In the next biennia resource allocations, update the set-aside to 20% exclusively for Culturally Specific Organizations alongside a target for rural projects that is responsive to ensuring rural access and opportunity.
Rationale	Based on public feedback, including as received from the HSC, we are recommending that we retain the current set-asides instead of changing mid-biennia. This lessens the shifts and uncertainty for development teams and communities that have invested in project pipelines. As we receive additional resource investments for the next biennia, our recommendation is to bifurcate the strategies for ensuring CSO access from those in rural communities in order to ensure policies are responsive and effective. Why: While the ORCA was initially launched with set-asides for all funding resources to have 25% of resources to be available to Culturally Specific Organizations and nonprofit organizations building in Rural Communities. However, the set-aside approach doesn't ensure regional diversity that supports rural access to funding. Response to concerns from rural communities regarding access to project development & permanent financing; desire to ensure that communities that need more time to get project development strategies retain access to resources in a way that is more effective than shared set-aside funds.

ORCA Regional set-aside calculations

2024 ORCA	Apply regional set-asides across all resources.
2025 ORCA	**Apply regional set-aside to development capital for resources that do not have prescribed eligibility.**
Rationale	By doing this, we are striving to ensure that the Permanent Supportive Housing development funds dedicated to Supportive Housing Institute projects are able to be available to them and that Preservation funds are effectively able to be prioritized through the Preservation Framework.

	Why: The conceptual approach to looking at all funding resources in aggregate was intended to ensure that the right types of resources could serve the communities they work best in, i.e. if there was a greater need for preservation resources in Eastern Oregon than new construction, a set aside wouldn't hinder an outsized portion of those specific resources going to that region. However, as both PSH and Preservation have other processes to prioritize investment, including those resources within the regional set-asides has created unnecessary risk that set-asides won't be able to deliver resources where needed to meet legislative intent for those funds. By updating the approach, that risk is eliminated.

In addition to the above regional set-asides, the 9% LIHTC resources will continue to dedicate 25% to fund preservation projects, and 10% to fund projects on tribal trust land.

3. Rural Definition Update

With the launch of the ORCA, ARH worked with our Research Team to align the definition of rural with the creation of the State of the State's Housing Report. While the overall definition will still calculate rural based on a combination of factors including density, the update to the rural definition currently within the ORCA seeks to better recognize that some more densely populated small cities may be within a larger metropolitan area but still far enough away from the major cities in the MSA. The resulting addition to the rural definition is that a city/town cannot have census tracts that are considered urban if the city/town is located farther away than 30 miles, based on standard commutes, from the border of the nearest respective Metropolitan Statistical Area (MSA).

4. 9% LIHTC Project Selection Process

Projects that apply for 9% LIHTC will be evaluated against the listed criteria to determine the projects that will be eligible for the resource through the ORCA.

Mandatory:

1- Project includes features in the design, services, site location, or other project considerations that are tailored to the population being served (e.g. appropriate levels of supportive services for chronically homeless households, co-located ECE facility or supports for families with young children, features for older adults and people with disabilities, transportation opportunities or unique design features for

veterans, unique features or access to locations of cultural significance for communities of color, etc.).

2- Project demonstrates alignment with the Oregon Housing Needs Analysis and local jurisdiction housing production strategies. Small cities without an OHNA requirement are exempt from this.

3- Project has supporting documentation from a local Housing Authority demonstrating that a commitment is in place to market available units to their wait list, or will rely on coordinated entry for tenant referrals.

Supplemental (must meet 3):

a. Project incorporates an average unit AMI of less than 50% or are including Project-Based Rental Assistance (PBRA) with their units.
b. Project incorporates a co-located ECE facility.
c. Accessible units beyond minimum code requirements.
d. Project includes features in the design, services, site location or other project considerations that provide opportunities for employment to residents and benefit to the community (e.g. co-located ECE facility for families with young children, access to community college or workforce training site, walkable access or access to transit to high job density locations).
e. Projects demonstrate evidence of historic value for the community, including Projects using the federal Historic Tax Credit (HTC) as part of the Project financing, and are: Listed, or have been determined eligible for listing, in the National Register of Historic Places administered by the U.S. Department of the Interior in accordance with the National Historic Preservation Act of 1996; or Located in a registered historic district and certified by the Secretary of the U.S. Department of the Interior as being of historic significance to that district.
f. Projects that have formally committed to meeting the Department's Sustainability Standards which include energy efficiency expectations that exceed current State of Oregon Energy Code requirements.
g. Projects intended for eventual tenant ownership.
h. Lead developer is a Culturally Specific Organization and/or a rural nonprofit organization.

Where 9% LIHTC resources are insufficient to fund all projects eligible for resources, tie-breakers will be used to select projects.

5. 4% Housing Authority Owned set-aside

OHCS will work annually with the Housing Authorities of Oregon to establish a Housing Authority Owned (HAO) Private Activity Bond (PAB) Set-Aside. This HAO PAB Set-Aside will be eligible for projects that are owned by Housing Authorities and do not require any state loan or grant funding. The 2025 HAO PAB Set-Aside will be $100 million.

6. 4% PAB Timeline Prioritization rights

Where there is a risk that OHCS will not be able to substantially commit all available PAB to projects in a given year, OHCS reserves the right to reassign resources within the funded pipeline or direct resources to projects on the ORCA waitlists based on the development timeline.

7. 4% LIHTC Subsidy Limit Updates

While 9% LIHTC will be able to leverage a max of $3 million in gap subsidy per project, the 4% LIHTC will use per unit subsidy through the ORCA.

Subsidy limits are intended to:

- Scale according to bedroom size and AMI served;
- Respond to lower rent rates in rural communities with significantly lower AMI, which reduces the ability for projects to cover fixed costs of development;
- Include an additional building-level subsidy for projects that incorporate unique building design functions to serve the target population; and
- Allow for reasonable increases (up to 10% above subsidy limits, or in alignment with the maximum PAB cap) when projects approach the final commitment of resources, upon approval by the OHCS Finance Committee.

Note that these subsidy limits differ from those projects receiving only gap resources via the ORCA process. All projects receiving federal tax credits must adhere to the limits listed below. **Subsidy limits are outlined in the charts below.**

	Rural New Construction			
Incomes Served (based on unit restrictions; PBRA units use 30% AMI)	**Studio**	**1 bedroom**	**2 bedroom**	*+ Per-Bedroom*
30% AMI	$210,000	$240,000	$270,000	*$30,000*
40% AMI	$200,000	$230,000	$260,000	*$30,000*
50% AMI	$190,000	$210,000	$230,000	*$20,000*
60% AMI	$180,000	$200,000	$220,000	*$20,000*

	Rural Acquisition / Rehabilitation			
Incomes Served (based on unit restrictions; PBRA units use 30% AMI)	**Studio**	**1 bedroom**	**2 bedroom**	*+ Per-Bedroom*
30% AMI	$175,000	$195,000	$215,000	*$20,000*
40% AMI	$155,000	$175,000	$195,000	*$20,000*
50% AMI	$135,000	$150,000	$165,000	*$15,000*
60% AMI	$115,000	$130,000	$145,000	*$15,000*

	Urban New Construction			
Incomes Served (based on unit restrictions; PBRA units use 30% AMI)	**Studio**	**1 bedroom**	**2 bedroom**	*+ Per-Bedroom*
30% AMI	$190,000	$220,000	$250,000	*$30,000*
40% AMI	$180,000	$210,000	$240,000	*$30,000*
50% AMI	$170,000	$190,000	$210,000	*$20,000*
60% AMI	$160,000	$180,000	$200,000	*$20,000*

	Urban Acquisition / Rehabilitation			
Incomes Served (based on unit restrictions; PBRA units use 30% AMI)	**Studio**	**1 bedroom**	**2 bedroom**	*+ Per-Bedroom*
30% AMI	$155,000	$175,000	$195,000	*$20,000*
40% AMI	$135,000	$155,000	$175,000	*$20,000*
50% AMI	$115,000	$130,000	$145,000	*$15,000*
60% AMI	$95,000	$110,000	$125,000	*$15,000*

Additionally, OHCS will provide **up to $200,000 per project** where there is a unique, functional building need to ensure tenant life/safety/health, including spaces to meet agricultural workforce needs, accessibility factors for elderly or disabled populations, supporting children, or durability interventions. Standard amenities or community rooms do not qualify.

Re: January 2025 ORCA Funding Recommendations

Motion: Approve the funding reservation recommendations for the following projects:

- **Elm Park Apartments in Florence, up to $12,235,000 in LIFT in alignment with the ORCA framework and process.**
- **Shelly Cove Apartments in Port Orford, up to $4,100,000 in Preservation resources in alignment with the ORCA framework and process.**

Summary

At the upcoming Housing Stability Council (HSC) meeting, we will be presenting Oregon Centralized Application (ORCA) funding hold recommendations for approval by the Council. This recommendation is based on projects that have met the HSC approved ORCA standards for Impact Assessment, the first step of the three-step ORCA process.

In this memo, we are providing you with a high-level summary of the recommended projects. More detailed information regarding the projects can be found in the attachment following this cover memo.

Applications

In all, there are 60 project applications actively in the Impact Assessment step of the ORCA that are in various stages of completing the step. The projects being recommended today has met all standards for the Impact Assessment step.

These projects will preserve 14 affordable units and add 32 new units to the state affordable housing stock. Rent restrictions for these developments range 30% AMI-60% AMI.

Development	Location	Number of units
Elm Park Apts.	Florence	32

Oregon Housing and Community Services | 725 Summer St. NE Suite B, Salem, OR 97301-1266 | (503) 986-2000 | FAX (503) 986-2020

Shelly Cove Apts.	Port Orford	14
	Total	**46**

Both developments will focus on serving very low-income families in rural areas.

Applications were reviewed for completeness and to ensure they meet all evaluation standards that are part of the Impact Assessment step. These standards include review of the following information:

- Affirmative Fair Housing Marketing Plan (AFHMP)
- Conceptual site plan
- Construction costs
- Development team capacity
- Diversity, Equity, and Inclusion (DEI) Agreement
- Engagement and community needs
- Environmental reports
- Equity and Racial Justice strategy
- Financial proforma for Impact Assessment
- HUD requirements review
- Infrastructure readiness
- Location preferences
- Minority-owned, Woman-owned, and Emerging Small Businesses (MWESB) strategy
- Permanent Supportive Housing (PSH) standards
- Permit strategy
- Prequalification
- Resident services
- Site control
- Zoning in place

Next steps
If the projects are approved for a funding reservation, they will receive a conditional commitment of funds and move to the second step in the ORCA process, Financial Eligibility, where they will have up to 6 months to complete the requirements of that step. Once the requirements of the Financial Eligibility step are met, projects will move to the third and final step, Commitment, and from there move to financial closing and project construction.

# of Units with OHCS PSH Services Funding:	0		
Cost Per Unit:	$477,469	Construction Type:	New Construction
Affordability Term:	30	# of Units with Non-OHCS Requirements:	0
Estimated Funding Request			
Total OHCS Request:	$12,235,000	Total project cost:	$15,279,000

This project is currently in the Impact Assessment step and there may be changes as it progresses through the ORCA process. We recommend to Housing Stability Council the reservation of an up to amount of $12,235,000 in LIFT resources for this project, with the expectation that the project retains the characteristics submitted in the Impact Assessment without substantial changes.

PROJECT DETAILS	
Project Description:	Elm Park Apartments is a new construction project located in Florence. The project will consist of five 3-story buildings with 32 units including six 1-bedroom, 16 2-bedroom, and 10 3-bedroom. The buildings are designed with roofline breaks and variation in the front and rear wall lines. The project will have a small greenhouse and raised garden beds. There will also be a small community center space and a playground. The project site is adjacent to Florence's Elm Park.
Anticipated closing date:	April 1, 2025
Focus Population(s):	Low- and very low-income families, survivors of domestic violence
ERJ Strategy:	The developer has been accepted as a member of Professional Business Development Group (PBDG), a nonprofit whose mission is to advocate for equity and inclusion in the construction industry and mentor and provide critical resources to minority and disadvantaged business enterprises. The developer has engaged PBDG for individualized assistance in improving efforts to advance racial equity. Elm Park Apartments has engaged with local culturally responsive organizations to provide resident services and to help market the units to underserved populations. Additionally, the management agent, Cascade Management, has a multilingual lease-up team and will be marketing the units in English and Spanish language advertising. Cascade Management requires all staff to undergo fair housing training upon being hired and annually.
Resident Services:	Elm Park Apartments has MOUs with Siuslaw Outreach Services and Florence Food Share to provide services to the tenant population. Siuslaw Outreach Services provides rental assistance, prescription assistance, self-sufficiency education, budgeting education. They also provide domestic violence services. They will also help residents access other services by referral. Florence Food Share's master gardener will also administer the gardening program at the project. The management agent will conduct regular outreach to tenants to engage in dialogue to receive feedback on services and to plan out additional offerings as need arises.

Oregon Housing and Community Services | 725 Summer St. NE Suite B, Salem, OR 97301-1266 | (503) 986-2000 | FAX (503) 986-2020

Location Preferences:	Elm Park Apartments is in the heart of Florence and is walkable distance from most amenities available in the city. The site is near an Early Care and Education facility that will open in 2025 and 3 grocery stores. As well as a range of recreational opportunities. The project is also located in a census tract at risk of displacement for vulnerable populations.
Alignment with Statewide Housing Plan:	Affordable Rental Housing Rural Housing

Housing Stability Council Project Summary – Impact Assessment Application Step

SUMMARY			
Project Name:	Shelly Cove Apartments		
City:	Port Orford	County:	Curry
State House District:	1	State Senate District:	1
Sponsor Name:	Chrisman Development, Inc. (CDI)		
Urban/Rural:	Rural	Total Units:	14
		Total Affordable Units:	14
# Rent Assisted Units:	14 USDA RD 11 HUD PBRA	Units by Size & Affordability:	4 1BR at 60% AMI 10 2 BR at 60% AMI
# of Units with OHCS PSH Services Funding:	0		
Cost Per Unit:	$305,106	Construction Type:	Acq-Rehab/Preservation
Affordability Term:		# of Units with Non-OHCS Requirements:	
Estimated Funding Request			
Total OHCS Request:	$4,100,000	Total project cost:	$4,271,478

This project is currently in the Impact Assessment step and there may be changes as it progresses through the ORCA process. We recommend to Housing Stability Council the reservation of an up to amount of $4,100,000 in Preservation resources for this project, with the expectation that the project retains the characteristics submitted in the Impact Assessment without substantial changes.

PROJECT DETAILS	
Project Description:	Shelly Cove Apartments is a proposed acquisition and rehabilitation of a 14-unit property in Port Orford to preserve the rent assistance contract with USDA RD and prevent the loss of affordability. The development consists of 2 buildings with 4 units in one building and 10 in the other. There are also laundry and maintenance facilities on site.

	The project has not had any major rehabilitation since its construction in 1976. In order to preserve the housing, bring the buildings up to code, and maintain habitability, Chrisman Development, Inc. (CDI) intends to rebuild the roof, replace the siding, exterior doors and windows, and undertake asbestos remediation. They plan to renovate all units including replacing all fixtures and exchanging hot water heaters and other appliances with energy efficient models.
Anticipated closing date:	4/1/2025
Focus Population(s):	Rural, very low-income family housing
ERJ Strategy:	CDI and their property management agent Viridian Management have implemented a DEI policy for Residential Housing Operations and Organizational Operations. They recognize the need to provide high-quality housing that serves the needs of vulnerable, low-income demographics in each community where they work. They have policies in place to ensure their portfolio offers accessible housing opportunities to populations facing disparities and barriers to safe, affordable housing. CDI and Viridian have established a robust set of procedures and best practices to ensure adequate outreach to BIPOC communities. This includes staff training, materials translation, partnerships with CSOs and CROs, and community outreach.
Resident Services:	CDI's analysis of the resident services needs in Curry County has identified the following common needs: affordable housing, transportation, nutrition, healthcare referral assistance, and community outreach to educate citizens about services available through service provider referral systems. There is a general lack of services available in Curry County, which is rural, low-population, and with underfunded social services. To the extent possible, CDI collaborates with local providers to strengthen the available services for their tenants. They partner with service providers to: • Promote and increase resident access to the programs and resources available in the area through referral and collaborative efforts, • Provide residents with access to educational programs and services, • Ensure that Latino residents and other underrepresented Communities of Color receive culturally responsive and equitable access to programming,

Oregon Housing and Community Services | 725 Summer St. NE Suite B, Salem, OR 97301-1266 | (503) 986-2000 | FAX (503) 986-2020

	• Employ effective outreach strategies to market the properties to the populations within the communities that are least likely to apply, and • Remove real or perceived barriers to housing occupancy that underserved community members and demographics may experience.
Location Preferences:	Shelly Cove Apartments is centrally located in Port Orford and is a walkable distance away from every amenity and service available in the town. This includes city and state parks and a full-service grocery store. The property has a walk score of 56 out of 100.
Alignment with Statewide Housing Plan:	• Rural priority • Affordable Rental Housing • Equity and Racial Justice
