Made under the penalty of perjury

Petitioner would like to bring this court's attention, that the respondent, the day after he had been presented by the Clackamas County Sheriffs Department the order of this court, proceeded to violate the order of the court. He was filmed walking up to the residence, and ripping out telecom wires to the house, in addition neighbors were filmed testifying that they heard gunshots from the vicinity of the residence, which was raised in a protective order before this court, which the court said did not meet the clear and convincing standard for an extreme risk protective order.

Additionally, the petitioner had to call the police twice subsequently, the first time was when the neighbor Carlos Castillo had wanted to have Julio live at his place, which was within the exclusion area forbidden by the order. When I told him that there was a court order, and that Julio had been referred to prosecution for criminal mischief for ripping out telecom wires, and that his actions have consequences which means that he is no longer going to be living with us. Carlos Castillo disregarded the court's order and blamed the petitioner for making respondent leave, and said that there were going to be consequences for kicking him out of his house (Jane Cortez is the head of household awardee), and he made menacing threats that I was about to have consequences and said that he wanted to kick petitioner's ass, the police responded and told him to stay away from petitioners residence, and myself to stay away from his residence.

Subsequently Carlos Castillo retaliated by telling Julio that I was moving Jane Cortez, to Tacoma Washington, which was a conflagration of Tillamook Oregon, and apparently recruited family members to have Adult and Family Services, to remove my mother from the residence with spurious claims that I had been abusing my mother. Moreover it was discovered that my estranged brother had been having my mother who is cognitively disabled, sign certain unknown documents relating to her inheritance, and neither was I informed of this, nor did she have a copy of the documents that she signed, or know what exactly she was signing or her legal rights. As a result she had filed a protective order in this court against my sibling, and was appointed Guardian Ad Litem in that matter in case no 25PO11530

Finally, the respondent's sister provided 20 minutes' notice that she wanted to receive Julio's clothing, and his medicine, which I had provided to her immediately upon her arrival. Instead the sister refused to leave the premises after I told her she was trespassing. She indicated she would not leave until she could remove incriminating documents from the home, and she did not care about the contents of the court order, or that she was trespassing and had to leave.

6 individuals, Carlos Castillo, Tracy Castillo, Tracy Castillo's boyfriend whose name I don't know, Julio's Sister named Cheryl Ellis, Cheryl Ellis' husband Leonard Ellis, and my niece Aliyah Hatcher, attempted to intimidate me. Tracy Castillo shoved me on my own property, Carlos Castillo made threats to kick my ass, despite being warned by police to stay away from us, and Carlos threatened that he was going to testify that I was lying to the court because I was not really disabled, because I don't receive SSDI, because I kicked Julio out of his own house.

Subsequently I took pictures of the documents which prove that Julio was in fact committing fraud against the housing authority of Clackamas County, and I had provided that to them as evidence of Julio sheltering income. That email will be attached as an appendix to this affidavit, in support of the financial motivation behind his abusive behavior.

Also attached is the vaccination records that I provided to his dog, Housing Authority of Clackamas County requires that all dogs are vaccinated for rabies, and approximately 18 months ago I had to yell at him to take his dog to the vet for vaginosis, and at that time the veterinarian told him that he had to get a rabies vaccine, but he refused to pay for it. Without this vaccination our relocation from the "hilltop manor" on 32nd ave to new apartments covered under Section 8, would not be possible because that is a requirement of tenancy

The other concerns regarding the amount of barking the dog had been doing previously, has been reduced according to myself and Jane Cortez jointly, by 75 percent and this is one of the concerns regarding the new living arrangements that had been performed by Housing Authority of Clackamas County because the condominiums would have not allowed this. However they have also recently reported that dogs that are larger than 25 lbs are not allowed to stay, and Julio will need to make arrangements for his dog, but I am also seeking a waiver of that requirement.

Lastly, I will attach as an exhibit, evidence that Julio was operating an unlicensed and uninsured painting business, and keeping organic solvents inside of house, and this behavior will also not be allowed at the new condominiums that will be provided to Jane Cortez at the Housing Authority of Clackamas County.

This order is made pursuant to ORS 701.098(4)(a)(B), which authorizes the Board to enter a suspension order when it finds that the continued practice of construction presents a serious danger to the public health or safety due to lack of liability insurance required by ORS 701.073.
